

OPS Bulletin

TBIT South Side Pass Through Tunnel

July 17, 2019

RESTRICTION

No Deck Loaders or Pushback Tractors

One of the pathways of the south side between Bradley West and Bradley East was converted to two-way traffic in order to accommodate the CBP Passenger Bus Drop Off Area.

Since the pushback tractors and deck loaders are wider, they are prohibited through the South Side Pass Through Tunnel. If allowed to pass through, they would use both lanes.

The maximum speed in this area is limited to **5 MPH** for the safety of passengers and employees.
